

Beef Meat 'n' Bones

Price: \$0.00 CAD

Short Description

The 'Beef meat and Bone' is amongst our most popular products. They represent the femur bone cut to varying sizes to accommodate breeds of all sizes of breeds. These delicious bones are left with approximately one inch of meat around the bones and serves as a treat or a meal. Please note that these are in limited quantities. We only farm the bones from our own animals. There are only four legs to an animal. We make every attempt to make sure every retailer gets some from us.
